The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

### A. Substantial Deviation from the 5-year Plan:

Until the PHA has met the requirement to define "significant amendment or modification," HUD will consider the following actions to be significant amendments or modifications:

- Change to rent or admissions policies or organization of the waiting list;
- Addition of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserves funds under the Capital Fund;
- Addition of new activities not included in the current PHDEP Plan; and
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

### **B. Significant Amendment or Modification to the Annual Plan:**

Until the PHA has met the requirement to define "significant amendment or modification," HUD will consider the following actions to be significant amendments or modifications:

- Change to rent or admissions policies or organization of the waiting list;
- Addition of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserves funds under the Capital Fund;
- Addition of new activities not included in the current PHDEP Plan; and
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
